Speed (km/h)	14.5

3 TON SWIVEL DUMPER - THWAITES MACH573

The 3 Tonne Power Swivel from Thwaites makes it easier than ever for operators to swivel and tip with great accuracy. If they need to deliver a load to the side of the machine for example, they can. The Power Swivel function makes it easy. Operators can take their loads through 180˚ via a single access dual-control lever – with safety lock – on its powered turntable.

FORST ST6P CHIPPER

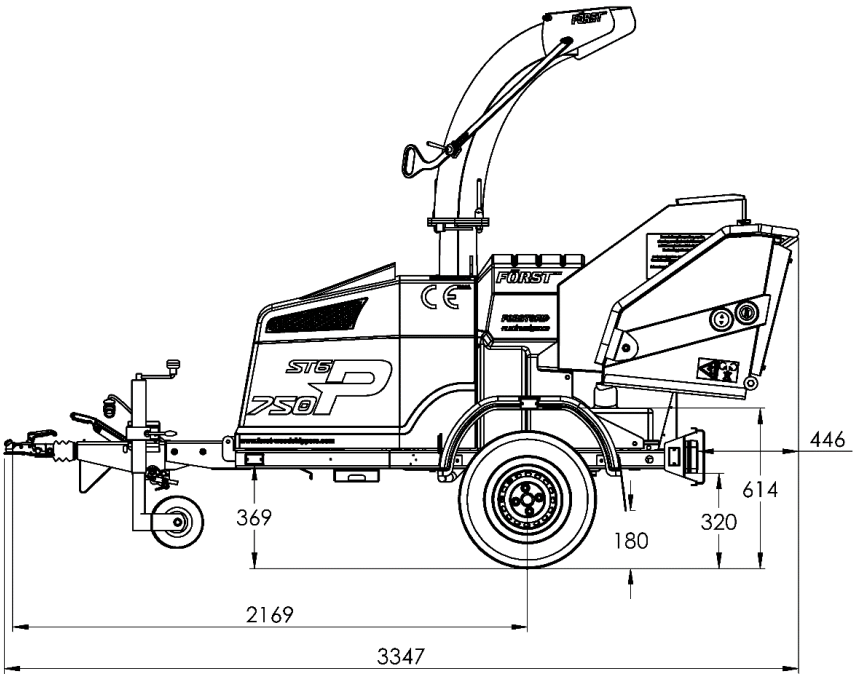

The Forst ST6P wood chipper is capable of chipping all kinds of wood and vegetation with ease. It features a 6 x 8 aperture to easily feed shrubbery into the Forstgrip feed roller system. It is easy to use with touch button feed controls and is easily transported to site as it is towable. The open-top flywheel system throws out the wood chips rather than blowing them out reducing the number of blockages.

TRENCHING BUCKETS

Trenching buckets that come in 700mm and 400mm widths ideal for digging trenches quickly and easily.

Can be fitted to the U17-3 2 Ton digger only.

Hire Rates				
	1 Day	Extra Day	Week	4 Week
400mm	*	*	£39.00	£31.20 p/w
700mm	*	*	£39.00	£31.20 p/w

*4 week rates must be agreed at time of hire . All prices shown exclude VAT

AUGER FLIGHT & DRIVE

Auger flights available in a range of witdths from 180mm to 300mm. They come complete with an auger drive that fits to the digger.

Can be fitted to the U17-3 2 Ton digger only.

Hire Rates				
	1 Day	Extra Day	Week	4 Week
180mm	£80.00	£30.00	£150.00	£120.00 p/w
200mm	£80.00	£30.00	£150.00	£120.00 p/w
300mm	£80.00	£30.00	£150.00	£120.00 p/w

*4 week rates must be agreed at time of hire . All prices shown exclude VAT

HYDRAULIC BREAKER

We have hydraulic breakers that fit on most of our diggers and they make light work of concrete, brickwork and driveways that need to be broken and demolished.

Epiroc SB102 - Fits on U10-3 & U17-3
Epiroc SB152 - Fits on U27-4

Hire Rates				
	1 Day	Extra Day	Week	4 Week
Epiroc SB102	£70.00	£35.00	£140.00	£112.00 p/w
Epiroc SB152	£90.00	£45.00	£180.00	£144.00 p/w

*4 week rates must be agreed at time of hire . All prices shown exclude VAT

HYDRAULIC RAMMER

This hydraulic rammer will make light work of installing posts for fencing saving you time and hard labour.

Can be fitted to the U17-3 2 Ton digger only.

Hire Rates				
	1 Day	Extra Day	Week	4 Week
Promove XP101 PB	£70.00	£35.00	£140.00	£112.00 p/w

*4 week rates must be agreed at time of hire . All prices shown exclude VAT

GROUND GUARDS

This heavy-duty plastic ground mat system is ideal for construction sites and events allowing heavy equipment to manoeuver across the ground with minimal disturbance to the ground itself.

They are lightweight at only 39kg each and can be easily slotted together without tools. These ground mats are hard wearing and can handle machine weights up to 60 tonnes.

Hire Rates				
	1 Day	Extra Day	Week	4 Week
1.2m x 2.4m	*	*	£15.00	£12.00 p/w

*4 week rates must be agreed at time of hire . All prices shown exclude VAT

ROAD PLATES

These road plates are ideal for creating a surface to drive on when digging holes in roads, gardens and other surfaces. They feature an anti-slip surface allowing machinery to drive over them with ease

Hire Rates				
	1 Day	Extra Day	Week	4 Week
2.5m x 1.3m	*	*	£25.00	£20.00 p/w

*4 week rates must be agreed at time of hire . All prices shown exclude VAT

IPAF TRAINING

We offer training for anyone that operates Mobile Elevated Work Plaforms (MEWPs), typically Scissor Lifts, Vertical Platforms, Cherry Pickers, Static or Self-Propelled Booms.

COURSE INFORMATION

- Courses run from Monday to Friday
- Saturday training available at an additional cost
- Approved IPAF Training centre
- On-site training available (subject to certain requirements)
- Group discounts available
- IPAF card and certificate included, valid for 5 years

MACHINE CATEGORIES

3a Mobile Vertical

Scissor lifts, vertical personnel platforms (mobile)

1b Static Boom

Self-propelled booms (outriggers), trailers/push-around, vehicle mounted platforms

3b Mobile Boom

Self-propelled booms

PRICES - IPAF OPERATOR

No. of categories	Price from
1	£180 per person
2	£210 per person
3	£265 per person

PAMSA TRAINING

This training is for anyone who needs to assemble, alter, dismantle, move, inspect and most importantly use alloy or fibreglass Mobile Access Towers.

COURSE INFORMATION

- Courses run at least twice weekly from Monday to Friday
- Courses scheduled for a minimum of 4 delegates
- Saturday training available at an additional cost
- Approved PASMA Training centre
- On-site training available (subject to certain requirements)
- Group discounts available
- PASMA card and certificate included, valid for 5 years

COURSE AGENDA

- Legislation and regulations
- PASMA Code of Practice
- Tea Break (Tea & Coffee provided by Mark 1 Training)
- Product Standards EN 1004:2004
- Best practice relating to fall protection
- Lunch
- Inspection of completed mobile access towers
- Completion of tower inspection records
- Hazard awareness

PRICES

Course	Price from
PASMA TOWERS FOR USERS	£120 per person
